Bulk Tea

All of our teas are provided to us by Rishi Tea in Milwaukee, WI. Rishi Tea was founded on the commitment to set the standard for quality and expand the awareness of tea and its rich, inspirational tradition. They provide Planet Perk with superb loose-leaf tea imported directly from tea gardens across Asia, made according to ancient artisanal practices using organic cultivation techniques and Fair Trade standards. From their modest beginnings over ten years ago to becoming an established leader in the specialty tea market, their mission and commitment to excellence has never wavered. That is why Planet Perk chooses to support this amazing Wisconsin company.

Note: Availability and pricing of each tea is subject to change due to seasonality and other factors.

Bulk Coffee

We offer the finest coffees available from Intelligentsia. Only the best organic coffee beans are selected for roasting in the Chicago facility especially for Planet Perk. We also select only fair and direct trade coffees to support local growers in each region where these precious beans are found. The coffee and espresso made from these beans was won a wide variety of international and national awards. It even has the Oprah seal of approval!

Note: Availability and pricing of each coffee is subject to change due to seasonality and other factors.

Planet Perk Responsibility Pledge

Planet Perk strives to be a good citizen of the world and community partner. That's why we are working to reduce our impact on the environment, buy direct-trade or fair-trade whenever possible, and we buy local goods as much as we can. In addition, we are adding healthy vegan and vegetarian choices to our menu. After all, its only one planet.
